C. The Three Disciples Raise A Biblical Question  
About Elijah's Coming

1. They ask why the Scribes insist that Elijah  
must come first, Mt. 17:10  
--Thus Jesus must not be the Messiah! --They  
thought they had a case, and rushed on into  
Hell with it! --No help from God!  
--They missed the Redeemer!
2. The Lord affirmed that Elijah was to come  
and restore all things, Mt. 17:11.
3. The Lord also declared that Elijah already  
came and they didn't recognize him, and  
did to him what they wished, Mt. 17:12a.
4. The Lord also affirmed that He was going  
to suffer also at their hands, Mt. 12:b;  
Mk. 9:12b
5. The Disciples then understood that He was  
talking about John the Baptist! Mt. 17:13
